

# The Shagya Arabian

200 years Of Selective Breeding  
Does make a Difference!

## THE SHAGYA ARABIAN

Only about 2000 purebreds exist today!

Their record is impressive and growing each year as discriminating owners study the history of this intriguing and rare breed that has been bred for over 200 years to be a distance horse, while maintaining their usability in Dressage & Carriage.

**HUNGARES** was no fluke--he was just one-- in the Herd of BABOLNA geldings!
